

## QUALITY POLICY

Primary goal of Muteseal Acoustics Private Limited is to achieve the highest standard of quality of Products and Services. We are dedicated to delivering customized Industrial acoustic products & services that exceed customer expectations in performance, lead time, and quality.

All personnel within the company are responsible for the quality of their work. The company provides training and has established systems to assist all personnel to achieve the standards required. Continual improvement of processes and practices, in conjunction with investment in people and systems, will be driven by a focus on customers satisfaction as well as legal and statutory requirements.

The company aims to achieve the above by implementing a Quality Management System that complies with the ISO 9001:2015. The Management and Leadership teams are committed to the development and execution of quality processes and to provide necessary resources to implement this policy and ensure that this commitment is understood and embraced by all staff within the company.
